

Photos from the EDTNA/ERCA conference

Dublin Ireland, 18-21 September 2010

Great response for RedSense at the international EDTNA/ERCA conference held in Dublin 18-21 September 2010

More than 1400 registered participants attended the conference, and many took the opportunity to visit the RedSense Medical booth and participated in the RedSense raffle.

A happy winner in the RedSense raffle, Fiona Leigh RN, Ireland.
